

PULASKI COUNTY MASTER GARDENER BOARD MEETING

The Pulaski County Master Gardener Board met on Tuesday, November 18, 1997 at 10:30 a.m. in the auditorium of the Administration Building at 2301 S. University.

Present were Betty Jane Daugherty, Beth Phelps, Patty Wingfield, Kevin Allis, Connie Ruth Smith, David Dodson, Shalah Brummett, Martha Jones, and Marcia Holder.

Beth shared a thank-you note she received for the door prizes we donated at the state meeting.

Beth announced an orientation for all officers, current project chairmen, co-chairmen, new project chairmen, and committee chairmen to be held on Tuesday, December 2, 10:00 at Connie Ruth Smith's house. All present chairmen need to take their notebooks to Beth before the meeting or take them to the meeting to turn them over to the new project chairmen.

Betty Jane discussed the upcoming Christmas party to be held on Thursday, December 11. Details would be announced at the general meeting.

Beth proposed another possible way of earning education points -- watching Home and Garden Television on cable. Ideas were discussed about how many points could be earned and what shows would qualify. It was decided that a 1/4 point for each approved 30-minute program with a maximum 5 points would count. The system would be further discussed at the general meeting.

Beth also stressed how important it is for everyone to include all the hours they give towards both volunteering and education. Beth said it helps her when she has to give her report for the year.

Betty Jane and Beth discussed a meeting they had with the director of the Old State House.

Kevin gave the treasurer's report.

Shalah Brummett brought several items from her company, Capitol Advertising, to possibly be sold by the Pulaski County M.G.s at the state meeting. Discussion followed with no decisions made.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Patty Wingfield
Secretary
