

## NATIVE THINGS THAT FLUTTER IN THE GARDEN

Sponsored by Pulaski County Master Gardeners

This seminar begins a new approach to continuing education sponsored by PCMGs. An afternoon session will now be offered to expand on the PCMG regular morning meeting topic. In addition, both sessions will be open to non-PCMGs.

The speaker for the PCMG February meeting will be Butterfly House Mentor, Kitty Sanders of the Botanical Gardens of the Ozarks. During the morning, Sanders will focus on butterflies native to Arkansas, host and nectar plants and monarch programs. The afternoon will focus on in-depth butterfly gardening, protecting the life cycle of butterflies, and raising butterflies at home.

**Date: Tuesday, February 20, 2018**

**Cost: \$30.00 per person (includes box lunch from Apple Spice Junction)**
