

Plants that Changed the World, are Evil or Weird, OH MY! June 19th, 2018

Sponsored by Pulaski County Master Gardeners

This seminar continues a new approach to continuing education sponsored by PCMGs. The morning educational segment of our monthly general meeting will feature Cody George, horticulturist for Crystal Bridges Museum Trails and Grounds. Everyone is invited to attend. During the afternoon session, Ann Wood, White County Master Gardener and well known presenter will explain how plants have changed the world, how some are evil and how some are just weird! (The afternoon is only for pre-registered guests.)
