Dear Master Gardener,

Welcome to the latest issue of the Pulaski County Master Gardener Weekly Digest! Read on to see how the week played out and to find out what's coming up. We have two new sanctioned projects, there are still plants sales going on around the state, and the Mount Holly Garden Series and the Herb Society seminars are both this Saturday. *Remember to click the icons below to find out more on those subjects.*

Office Closing for Holiday

Please note that the Pulaski County Extension office, including Master Gardeners, will be closed Monday, May 29th in observance of Memorial Day. Hope you all have a wonderful three-day-weekend and please honor those that have served in our military forces. To learn The History Channel's information on Memorial Day, click the flag!

Monthly Meeting

The votes are in and both projects were a success! Please note that we have two new sanctioned projects that may need your help. Contact Derek or me to learn more about the Pulaski County Juvenile Detention Center Teaching Gardens and the St. Joseph's Blessed Bee and Butterfly Gardens.

The next PCMG Membership Meeting will be Tuesday, June 20th, 11:30am at St. James United Methodist Church, [321 Pleasant Valley Drive, LR](#). Those that paid dues prior to May 1st will receive their t-shirt at the June meeting. Show up to go up! (no link associated with icon).

If you missed April's meeting, watch it by clicking the MG logo. May's meeting will be posted soon. Record those hours...two for each monthly meeting!

County 76 Auction

The County 76 virtual auction starts at noon June 1st and ends June 9 at 1pm. Proceeds will go to the Janet B. Carson Scholarship fund. Items will be available for pick up at the MG State Conference in Russellville. If not attending the conference, you will be contacted in June. Click the icon to go to the auction page.

Kudos!

The Subiaco trip was a success and sounds like it was a lot of fun. Check out the pictures and thank you note.

Seminars & Education

The Mount Holly Garden Series starts this weekend, May 20th at 9am. Bring your own lawn chair.

Remember Rattle's Garden tour is coming up...May 24th. Contact JoAnne Jennings if planning to take the tour, 501-231-1566. You'll need a good sun hat for this one.

Also, this weekend, the Arkansas Herb Society is having their 1st Annual Seminar May 20th. Click the flyer to the left to go to their Eventbrite page and register. For information on check or cash payments, email arkansasherbsociety@gmail.com.

Here's something different...research results on vegetable, fruit and turfgrass field trials will be presented June 28 during the University of Arkansas System Division of Agriculture's 2023 Horticulture Field Day at the Southwest Research and Extension Center in Hope. Find out more by clicking the field day photo.

Remember all of these tours and seminars can count toward your Education Hours...be sure to track your time.

[2024 MG Calendar](#)

Submit your photos for the 2024 MG Calendar! The State Office is looking for summer pictures now. The lily will take you to previous information already on our armgs.org website. There are also instructions on how to submit your photos.

Plant Sales

Benton, Boone, and Logan Counties are the last of the Plant Sales. Click the flyer to learn the dates of those sales and thank you for supporting your fellow Master Gardeners!

Extension

The latest from our State Horticulture Educator, Randy Forst, plus lots of other cool links to the UAEX website, Janet Carson's blog, the Plant Health Clinic Disease Notes and more from your Extension Service friends.

Spotlight

This week I'm spotlighting another Extension program. For more than 100 years, the Extension Homemakers Council has been active in Arkansas. Learn more by clicking their logo.

Plant Disease Notes

If you have birch trees, you may want to check out Issue 13 of the Plant Health Clinic Notes.

Enter your time online for any Education Hours such as reading this email, going to a seminar or attending the Monthly Membership Meeting by clicking this link <https://arkmg.uada.edu/accounts/login/?next=/home/>. If you need help logging in, give me a call.

All of these things and more can be found on your Directory website or a link on the Directory website will take you to the proper page. Please explore and know that the following items will be available all the time on our website thanks to Paul Nolte.

About the PCMG website (armgs.org) Home Page

The Home Page consists of a List of Posts that have been made to the website.

- The first post in the list will always be the most current Magnolia Chronicle newsletter.
- After the Magnolia Chronicle will be a list of all other posts in reverse chronological order.
- Scroll down through the list and Click on any item you wish to see.
