

PCMG Weekly Digest

Dear Master Gardener,

A weekly digest on a Thursday? That's right tomorrow is an off day for extension so I am sending this out today instead. Extension saves their off time for presidents day to use the last Friday of spring break so parents can have a three day weekend with their kids. I don't have kids but one of my brothers is coming to visit with his family so it will be a nice visit!

I hope you all enjoyed the meeting this month. A huge shout out to Susan Rose for finding us such wonderful speakers time and time again.

Expect the weekly digest to evolve and change over the next few months as I play with the various settings to find a style that works best for us.

Thank you for joining constant contact. Feel free to reach out if you have any questions or concerns.

**Happy Gardening,
Derek Reed**

Magnolia Chronicle has a new look and a new location on the armgs.org website! New issues and archive issues can now be accessed from the main menu bar.

In this issue of Magnolia Chronicle:

- **President's Message**
- **A Guide to Spring Garden Tours in the South**
- **Urbana Farmstead: A Journey from Heritage Roots to Urban Farming in Arkansas**
- **Gardening is Good Therapy for All**
- **Kathy Ratcliffe: A Garden Legacy**
- **A Day in the Garden at Historic Arkansas Museum**

Doug Tallamy: A video presentation of Homegrown National Park

Call the extension office at 501 340-6650 to register!

Kathy Ratcliffe

It has been brought to my attention that a portion of the article on Kathy was missing from our online master gardener article. As many of you know we lost Kathy last September and to honor her the Demo Garden was able to change their name to the **Kathy Ratcliffe Garden at the Vines**.

A fund has been set up in the name of the garden both through the Pulaski County Extension account and the Arkansas 4-H Foundation. All funds raised in either account will be earmarked for use in the gardens. The committee hopes to be able to fund several memorial benches placed strategically in the garden.

If you would like to donate to the gardens in Kathy's honor, you have two options. You can send checks payable to Pulaski County Extension, to the Pulaski County Extension office at 2909 West Roosevelt Road, LR, AR 72204, or to the Arkansas 4-H Foundation, 1 4-H Way, LR, AR 72223. Be sure to designate they are for the Kathy Ratcliffe garden. If you want to donate online to the 4-H Foundation here is a link: <https://uada.formstack.com/forms/donate4h> Again, remember to designate the Kathy Ratcliffe garden online. Both options are tax deductible.

Time to pay dues!

ON-TIME DUES AMOUNT:

\$20 (Jan. 1st - April 30th)

PAST-APRIL DUES AMOUNT:

High Tunnel Workshop

**\$30 (After April 30th)
ONLINE PAYMENTS!!!!**

**Click Here to Pay Dues
Online!!!!**

UAMS is having an earth day celebration April 19th from 9AM to 2PM. They are wanting volunteers to help with their flower and seed table. And would love for us to bring plants or seeds to sell or give away. If you or anyone you know might be interested in helping out please reach out to me and I will get you on the list. Volunteers can park on Deck 2 and parking will be validated.

PLANT SALE!!!!!!

Jacksonville Greenhouse is having two plant sales!

**The first is April 12th & 13th
The second is April 19th & 20th**

Their plant sale was beautiful last year and I am sure they are going to impress again this year. I look forward to picking up some new hanging baskets again this year.

2024 Backyard Garden Workshop Series - Save the Dates

Presented by the Pulaski Conservation District in Partnership with UA Little Rock

April 13, 9:00 am to Noon: Getting the Most Out of Your Garden Space

Learn how to maximize the yield from your backyard garden with three different presentations covering tips for container gardens, the benefits of companion plantings, and how to facilitate adequate pollination.

Location: Hillary Rodham Clinton Children's Library, Little Rock

May 18, 9am to 10:30 am: Managing Backyard Chickens

Learn the basics of managing chickens in an urban environment including incubating eggs, hatching and raising chicks, feeding and watering, collecting eggs, selling eggs, trading chickens, butchering birds, daily care, and legal requirements. The class will be on-site at an urban chicken yard.

Location: 810 Water Street, North Little Rock, 72117

June 22: 9 am to Noon: Integrated Pest Management

Learn the best techniques for identifying and controlling pests before they get control of your garden.

Location: UA Little Rock Student Center followed by a tour of the Campus Garden

Registration Information Will Soon be Uploaded to the UA Little Rock Office of Extended Education website

For additional information contact the Pulaski Conservation District at (501) 758-2544 ext 3.
