

PCMG Weekly Digest

Wildwood hosting Hays Senior center

Dear Master Gardener,

I hope you've all had a wonderful week! We just completed our first day of Master Gardener training, and we have a fantastic group of newcomers this year. They're a lively and social bunch—by lunchtime, everyone had already made friends and was happily chatting away. It's wonderful to see such friendly, enthusiastic people joining our program!

Be sure to read through the entire newsletter as we have some exciting new volunteer opportunities and lineup of fun events coming your way. You won't want to miss them!

Master gardeners if you know of a master gardener going through a tough time due to a loss of a family member or they themselves has passed, please contact the Sunshine Committee. Arline Jackson

heads that committee and makes sure that the master gardeners are there to support our members and their families during their times of need.

Thank you for joining constant contact. Feel free to reach out if you have any questions or concerns.

Happy Gardening,
Derek Reed
