

PCMG Weekly Digest

Master Gardener 2024 Class

Dear Master Gardener,

I hope you've all had a magnificent week! This past Saturday we had the first of our gardening with master gardeners series and it was a complete success! We had 60 people, many of which were from the community and the reviews I have seen have been excellent. Huge shout out to the continuing education committee for all the hard work they have put in this year.

Our November meeting next week Tuesday the 19th. Afterward is our new member luncheon at St. James. It is an important meeting as we will be voting on next years board and hearing from this years nominations for newbie of the year and master gardener of the year as well. Be sure to come for lunch and to meet all the new members. They are an awesome group and I am excited to have them join us.

For the newbies interested in attending the address for the meeting is 321 Pleasant Valley Dr, Little Rock, AR 72212

December Luncheon/Meeting will be held on December 4th at Chenal Country Club. Call our office today to sign up or sign up with the website link below!

Master gardeners if you know of a master gardener going through a tough time due to a loss of a family member or they themselves has passed, please contact the Sunshine Committee. Arline Jackson heads that committee and makes sure that the master gardeners are there to support our members and their families during their times of need.

Thank you for joining constant contact. Feel free to reach out if you have any questions or concerns.

Happy Gardening,
Derek Reed
