Master Gardener 2024 Class

Dear Master Gardener,

I hope you've all had a terrific week! We did it! Our 2024 new master gardeners in person class has all passed the test and are officially master gardeners! If you see one at any of our events be sure to congratulate them. We are still waiting on a few of the online newbies to finish up and they have until December 2nd. We are very excited to have our new class of Maser Gardeners!

December Luncheon/Meeting will be held on December 4th at Chenal Country Club. Call our office today to sign up or sign up with the website link below!

Master gardeners if you know of a master gardener going through a tough time due to a loss of a family member or they themselves has passed, please contact the Sunshine Committee. Arline Jackson heads that committee and makes sure that the master gardeners are there to support our members and their families during their

times of need.

Thank you for joining constant contact. Feel free to reach out if you have any questions or concerns.

Happy Gardening,
Derek Reed
