PCMG 2025 Board Induction

Dear Master Gardener,

I hope you are all having a wonderful Friday. I just attended a floral design in-service that was educational and fun. Hopefully, we will have the opportunity to do something like that for our group in the future. We just had our gardening with master gardeners last Saturday, and I believe it was a huge success. We had over 170 people sign up for the class and had 123 people attend in person.

Next week is our master gardener meeting! We have an exciting speaker from Ball Seed coming to talk about their company and seeds they have available. You wont want to miss it!

Its time to pay dues! As always dues are \$20 now, if you pay after April 30th then it will be \$30 dollars. A link to pay your dues online will be at the end of the digest. You can also pay with cash or check at the meeting next week.

The directory is about to be sent to get printed for the year. The board is providing a free directory to all lifetime members and members who have paid their dues.

Master gardeners if you know of a master gardener going through a tough time due to a loss of a family member or they themselves has passed, please contact the Sunshine Committee. Arline Jackson heads that committee and makes sure that the master gardeners are there to support our members and their families during their times of need.

Thank you for joining constant contact. Feel free to reach out if you have any questions or concerns.

Happy Gardening,
Derek Reed
