PCMG 2025 Board Induction

Dear Master Gardener,

I hope you are all having a wonderful Friday. It has been a busy few weeks for me here at the office. I have given several presentations and have a few more still left to do over the next few weeks. With the weather warming up a little, despite it being February still, I am starting to get more and more calls and emails. As soon as it gets slightly warm every year people get the urge to work outside. Unfortunately, Punxsutawney Phil saw his shadow and predicts 6 more weeks of winter.

Its time to pay dues! As always dues are \$20 now, if you pay after April 30th then it will be \$30 dollars. A link to pay your dues online

will be at the end of the digest. You can also pay with cash or check at the meeting next week.

The directory is about to be sent to get printed for the year. The board is providing a free directory to all lifetime members and members who have paid their dues.

Master gardeners if you know of a master gardener going through a tough time due to a loss of a family member or they themselves has passed, please contact the Sunshine Committee. Arline Jackson heads that committee and makes sure that the master gardeners are there to support our members and their families during their times of need.

Thank you for joining constant contact. Feel free to reach out if you have any questions or concerns.

Happy Gardening,
Derek Reed
